

Launch your Inventor or Explorer at the Da Vinci Science Center!

As part of membership at the Da Vinci Science Center, we offer an Inventor and Explorer Club exclusively for our young members. As an Inventor and Explorer Club member, each child receives a personalized club card and introductory gift. In addition, we also offer two (2) programs for Club members.

Saturday Morning Sessions – Children in 4th, 5th, or 6th grade

The 2-hour sessions run **once a month** October through May with a final session for the club members to showcase their idea invention or project based a field of science they have explored over the 8 month series. **(Please note your child must be able to attend 6 out of the 8 sessions to participate as the sessions are continuous.) Your child must be in the 4th, 5th, or 6th grade to participate in the morning sessions.** More information will be e-mailed to the 4th, 5th, and 6th grade club members in September and they may decide if they would like to participate in either the Inventor Club or Explorer Club at that time.

Quarterly Workshops – Children ages 5 -12

If your child is not able to make the time commitment to the Saturday morning sessions or does not meet the grade requirements, we also offer quarterly workshops in January, April, July and October. The workshops give your child a chance to explore the different sciences through facilitated hands-on activities. The topic changes with each workshop and the goal is reinforce your child's scientific interests and enthusiasms by providing a place to pursue those interests with like-minded peers. **The Inventor and Explorer Club workshops are appropriate from children ages 5 -12.** Once you are registered you will receive e-mail invitations to the quarterly workshops.

If your child is interested in the joining the Inventor and Explorer Club, please complete the below registration form and mail to:
